- Implement NIMS/SRP & Enhance Catastrophic Incident Planning, Response and Recovery Operations
- Alert and Warning Capabilities
- RTTAC Program
- Training

FY 2007 The following projects were identified in the City of San Diego:

- Fusion Center: San Diego Law Enforcement Coordination Center (personnel)
- Tactical Interoperable Communications Plan
- Regional Command and Control Communications (TICP) Implementation Project
- Strengthening Regional Information Sharing, Collaboration and Technology Capabilities
- Critical Infrastructure Protection
- CBRNE/WMD Detection and Response Capabilities
- Public Safety Interoperable Communications (PSIC) grant funds allocated to San Diego Urban Area

FY 2006 The following projects were identified in San Diego County:

- Provide training and purchase communication equipment to enhance interoperable communications
- Provide training and purchase security equipment to enhance protection of critical infrastructure and key resources
- Purchase communication equipment to enhance information sharing and collaboration capabilities
- Purchase equipment and provide training to strengthen CBRNE detection, response, and decontamination capabilities
- Purchase PPE and develop plans and protocols to enhance pandemic influenza planning and preparedness
- Purchase PPE and safety equipment to strengthen All Hazards Response and CBRNE Capabilities
- Purchase equipment and provide training to enhance regional response capabilities for terrorism events
- Purchase equipment and provide training to strengthen catastrophic emergency management capabilities

FY 2006 The following projects were identified for San Diego County Sheriff:

- Purchase equipment and provide training to strengthen catastrophic emergency management capabilities

FY 2006 The following projects were identified in the City of San Diego:

- Strengthen CBRNE Detection, Response and Decontamination capabilities
- Identify and develop/integrate collaboration and information sharing capabilities
- Enhance regional communications and data connectivity

FY 2005 The following projects were identified in San Diego County:

- Add terrorism emergency planning into multi-hazard emergency planning and response processes
- Assist community-based organizations and public education outreach
- Enhance citizen and volunteer initiatives
- Develop a recovery plan
- Emergency management organization program
- Enhance capabilities of bomb squads
- Enhance tactical operations and incident management
- Develop homeland security exercise and evaluation program
- Strengthen the Operational Area Emergency Plan
- Enhance night operations
- Enhance Local Jurisdiction Capabilities
- City of Chula Vista - Community-Based Programs
- Buffer Zone Protection Program (BZPP)
- Revise the City of Chula Vista EOC Procedures

FY 2005 The following projects were identified in the San Diego Metropolitan Transit District, San Diego County

- Critical Infrastructure Hardening Through Physical Security Enhancements and Entry Screening
- Enhance Integration of Metropolitan Area Public Health/Medical and Emergency Management Capabilities
- Establish/enhance Regional Response Teams and Provide Equipment

- Establish/enhance Sustainable Homeland Security Training Program
- Planning for Update of the Urban area security Strategy
- Private non-profit
- Provide Grant Management and Administrative Support for FY05 UASI Grant and FY05 MMRS Grant
- Regional Partnership with Academia to Implement Technological Solutions to Regional Emergency Issues Including Interoperable Communications

FY 2005 The following projects were identified in the San Diego Metropolitan Transit District, San Diego County

- Bus Video Cameras
- Management and Administration

FY 2005 The following projects were identified in the North County Transit District Development Board, San Diego County

- Communications
- Grant Administrative Assistant
- Management & Administration
- Security Devices and Mobile Command

FY 2005 The following projects were identified in the Port of San Diego, San Diego County

- Enhance Port Security

FY 2004 The following projects were identified in the City of San Diego, San Diego County

- Develop/enhance interoperable communications systems
- Establish/enhance regional response teams
- Establish/enhance sustainable homeland security training program
- Grant Management and Administration

FY 2004 The following projects were identified in the North San Diego county Transit Development Board, San Diego County

- Assess vulnerability of and harden critical infrastructure
- Establish/enhance public-private emergency preparedness program
- Provide Grant Management and Administration Support

FY 2004 The following projects were identified in the San Diego Police Department (RTTAC), San Diego County

- Establish/enhance a terrorism intelligence/early warning system, center, or task force

SAN DIEGO, CITY OF (UASI)

Accomplishments -

216 Negative pressure air purifying respirators - \$48,168 (FY03)

57 Radiation detection equipment - \$85,500 (FY03)

1 Integrated computer system - \$78,958 (FY03)

10 Open-circuit SCBA - \$50,000 (FY03)
1 Portal system - \$175,865 (FY03)
73 Mobile display terminals - \$513,207 (FY03)

Accomplishments -

30 Radiation Survey Meter Personal Dosimeters - \$11,700 (FY01)
10 closed circuit rebreathers - \$35,000 (FY01)
Six radiation detection equipment to detect gamma, beta, alpha rays - \$9,000 (FY01)
16 decontamination systems - \$20,748 (FY01)
58 tight-fitting, full facepiece pressure air purifying respirator (PAPR) \$9,850 (FY01)
Two handheld chemical agent monitor with training set - \$19,700 (FY01)
294 decontamination systems - \$10,645.74 (FY01)
One closed circuit rebreather - \$9,740.39 (FY01)
Four spare cylinders for rebreathers - \$9,428.80 (FY01)
54 full facepiece pressure air purifying respirator (PAPR) \$9,734.04 (FY01)
70 full facepiece pressure air purifying respirator (PAPR) \$14,695.80 (FY01)
Eight sets of radiation detection equipment to detect gamma, beta, alpha rays - \$12,000 (FY01)
Two sets of individual radios, software radios, repeaters interconnect systems, satellite phones, etc - \$7,168 (FY01)
1 set individual radios, software radios, repeaters interconnect systems, satellite phones, 800 mHz portable radio - \$10,939 (FY01)
112 full facepiece pressure air purifying respirator (PAPR) \$10,208.80 (FY01)
122 full facepiece pressure air purifying respirator (PAPR) \$11,993.82 (FY01)
368 full facepiece pressure air purifying respirator (PAPR) \$66,703.68 (FY01)
750 full facepiece pressure air purifying respirator (PAPR) \$16,192.50 (FY01)
4 full face air purifying respirator - \$23,940 (FY01)
22 closed circuit rebreathers - \$9,042.88 (FY01)
294 closed circuit rebreathers - \$56,742 (FY01)
Two tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$7,196 (FY01)
Three closed circuit rebreathers - \$9,243 (FY01)

Two search cameras for CBRNE purposes - \$20,600 (FY02)
 Two search cameras for CBRNE purposes - \$23,274 (FY02)
 Two search cameras for CBRNE purposes - \$20,578 (FY02)
 111 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$21,477.39 (FY02)
 Two airline systems with 15-minute escape SCBA - \$7,232 (FY02)
 82 liquid splash resistant chemical clothing - \$9,512 (FY02)
 82 liquid splash resistant chemical clothing - \$10,168 (FY02)
 Four radiation detection equipment - \$7,200 (FY02)
 Four open circuit SCBA apparatus - \$13,468 (FY02)
 20 land mobile two-way in-suit communications throat microphones - \$8,425 (FY02)
 66 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$13,057.44 (FY02)
 60 radiation detection equipment - \$25,740 (FY02)
 885 personal accountability systems - \$19,470 (FY02)
 One decontamination system - \$16,690.47 (FY02)
 One computer system designated for integration to assist with detection and communication efforts - \$28,667 (FY02)
 360 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$80,204.40 (FY02)
 Two search cameras for CBRNE purposes - \$21,600 (FY02)
 Two sets of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, chargers, etc. - \$7,684 (FY02)
 One search camera for CBRNE purposes - \$8,397 (FY02)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, chargers, etc. - \$15,443.73 (FY02)
 Four land mobile, two-way in-suit communications (radios) - \$9,968 (FY02)
 222 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$7,536.90 (FY02)
 One equipment trailer - \$20,286 (FY02)
 1,486 personnel accountability systems - \$10,402 (FY02)
 One point detection system – biocapture air sampler - \$7,900 (FY02)
 60 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$9,921.60 (FY02)
 360 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$15,616.80 (FY02)
 Eight land mobile, two-way in-suit communications (APR amph hands free) - \$24,000 (FY03, Part I)
 Four computer systems designated for integration to assist with detection and communication efforts - \$10,256 (FY03, Part I)
 One response vehicle - \$25,000 (FY03, Part I)
 Four computer systems designated for integration to assist with detection and communication efforts - \$9,453.14 (FY03, Part I)
 Four computer systems designated for integration to assist with detection and communication efforts - \$7,355.48 (FY03, Part I)
 One video assessment camera - \$40,000 (FY03, Part I)
 One barrier fence - \$90,328 (FY03, Part I)
 40 liquid chemical splash resistant suits - \$9,240 (FY03, Part I)
 One closed circuit rebreather - \$44,667.02 (FY03, Part I)
 One equipment trailer - \$22,863.16 (Part I)
 50 personal dosimeters - \$19,500 (FY03, Part I)
 Three lifting devices - \$10,500 (FY03, Part I)
 Two search cameras for CBRNE purposes - \$23,274 (FY03,Part I)

One commercially available crisis management software - \$32,182.71 (FY03, Part I)
 Four open-circuit SCBA - \$9,966.92 (FY03, Part I)
 150 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$8,250 (FY03, Part I)
 150 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$8,250 (FY03, Part I)
 Two search cameras - \$16,000 (FY03, Part I)
 23 sets of radiation detection equipment to detect gamma, beta, alpha rays - \$29,900 (FY03, Part I)
 16 spare cylinders for SCBA - \$13,760 (FY03, Part I)
 One video assessment thermal imaging camera - \$22,895 (FY03, Part I)
 11 sets of radiation detection equipment to detect gamma, beta, alpha rays - \$14,300 (FY03, Part I)
 One cascade system for refilling SCBA bottles - \$8,840.25 (FY03, Part I)
 One portal system - \$13,899.53 (FY03, Part I)
 Four evacuation chairs for disabled personnel - \$7,388 (FY03, Part I)
 One equipment trailer - \$7,968 (FY03, Part I)
 One video assessment thermal imaging camera - \$17,800.47 (FY03, Part I)
 One unit data synthesis software to detect bioterrorist attack - \$20,000 (FY03, Part I)
 One triage patient tracking system - \$24,517.59 (FY03, Part I)
 238 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$45,934 (FY03, Part I)
 One crisis management software - \$151,493.42 (FY03, Part I)
 One equipment trailer - \$9,658 (FY03, Part I)
 One automatic biphasic external defibrillator - \$24,929.38 (FY03, Part I)
 Three handheld computers for emergency response - \$18,900 (FY03, Part I)
 50 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$20,000 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$15,512.60 (FY03, Part I)
 18 sets of radiation detection equipment to detect gamma, beta, alpha rays - \$27,000 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$13,401 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$15,512.60 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$14,604 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$20,785 (FY03, Part I)
 18 sets of radiation detection equipment to detect gamma, beta, alpha rays - \$27,000 (FY03, Part I)
 1,390 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$41,659.30 (FY03, Part I)
 740 full-face air purifying respirators with cartridges - \$32,101 (FY03, Part I)
 One mobile command post vehicle - \$23,384.18 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$18,415.59 (FY03, Part I)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$20,785 (FY03, Part I)
 One video assessment camera - \$19,886.66 (FY03, Part I)
 328 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$41,000 (FY03, Part I)
 10 Automatic biphasic external defibrillators - \$22,710 (FY03, Part I)
 1000 barriers - \$520,000 (FY03, Part II)
 One mobile command post vehicle - \$100,000 (FY03, Part II)
 One mobile command post vehicle - \$36,931.62 (FY03, Part II)

Two search cameras for CBRNE purposes - \$18,928.26 (FY03, Part II)
 Two search cameras for CBRNE purposes - \$17,378 (FY03, Part II)
 One prime mover for equipment trailer - \$53,000 (FY03, Part II)
 149 mobile display terminals - \$425,544 (FY03, Part II)
 800 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$189,104 (FY03, Part II)
 800 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$23,976 (FY03, Part II)
 800 liquid chemical splash resistant clothing - \$42,800 (FY03, Part II)
 400 HAZMAT gear bag/box - \$20,000 (FY03, Part II)
 106 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$95,294 (FY03, Part II)
 106 rechargeable batteries - \$36,252 (FY03, Part II)
 20 open circuit SCBA - \$100,000 (FY03, Part II)
 71 spare cylinders for SCBA - \$28,400, FY03, Part II)
 1,049 tight-fitting full facepiece negative pressure air purifying respirators (PAPR) - \$18,882 (FY03, Part II)
 50 sets of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$173,300 (FY03, Part II)
 One set of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$2,000,000 (FY03, Part II)
 Two sets of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$96,498.54 (FY03, Part II)
 One mobile command post vehicle - \$21,453.10 (FY03, Part II)
 54 open circuit SCBA - \$24,648 (FY03, Part II)
 Six light sets for nighttime security - \$42,360 (FY03, Part II)
 72 liquid chemical splash resistant clothing - \$17,077.68 (FY03, Part II)
 Five spare cylinders for SCBA - \$17,000 (FY03, Part II)
 Five sets of individual/portable radios, repeaters, interconnect systems, satellite phones, batteries, etc. - \$19,210 (FY03, Part II)
 One portal system - \$38,522 (FY03, Part II)
 Six spare cylinders for SCBA - \$30,030 (FY03, Part II)
 One search camera for CBRNE purposes - \$22,424 (FY03, Part II)
 Develop/enhance interoperable communications system - \$2,500,000 (FY04)
 Establish/enhance Citizens Corps Councils - \$146,736 (FY04)
 Establish/enhance regional response teams - \$4,989,952 (FY05)
 Enhance night operations - \$440,151 (FY05)
 Citizen Corps Council Programs - \$323,000 (FY05)
 Enhance tactical operations and incident management – \$750,000 (FY05)
 Enhance local jurisdiction capabilities - \$2,100,000 (FY05)
 Strengthen Interoperable Communications - \$672,722.00 (FY06)
 Enhance protection of critical infrastructure/key resources - \$5,535.00 (FY06)
 Strengthen information sharing and collaboration capabilities - \$9,707.00 (FY06)
 Strengthen CBRNE Detection, response, and decontamination capabilities - \$200,183.00 (FY06)
 Strengthen all hazards response and CBRNE capabilities - \$87,295.00 (FY06)
 Enhance regional response capabilities for terrorism events - \$478,148.00 (FY06)
 Strengthen catastrophic emergency management capabilities - \$371,766.00 (FY06)
